From Pastor David

Blessed Mothering Day .

Recent data from Damodar shows that the average net margins in the cosmetics industry are around 10–15%. This makes it highly competitive with the technology industry and certainly more profitable than the retail sector.

Humanity is often won over through outward beauty. God, however, is drawn to something deeper; the state of the heart.

Anyone who truly loves God and values a relationship with Him must therefore be mindful of their heart, because it is the condition of the heart that either attracts or repels God.

We seek God sincerely with the heart, and for that reason our greatest attention should be placed there.

God spoke of David, the son of Jesse, saying:

Acts 13:22 (KJV) “I have found David the son of Jesse, a man after mine own heart, which shall fulfil all my will.”

As we celebrate our wives, mothers, sisters, and daughters today, my prayer is that your hearts will continually pursue God.

May you walk in His fear and love Him with all your heart.

Maranatha.
